Upcoming Funding Opportunities

Administrator & Grant Name	Funding Info	Matching Funds	Description	Application Deadline	Eligible Projects
Department of Forestry & Fire Protection California Climate Investments Fire Prevention Grant Program	TBD	None required, but is a positive factor.	Through the California Climate Investments (CCI) Fire Prevention Grant Program, CAL FIRE aims to reduce the risk of wildland fires to habitable structures and communities, while maximizing carbon sequestration in healthy wildland habitat and minimizing the uncontrolled release of emissions emitted by wildfires. The three qualifying projects and activities include those related to hazardous fuel reduction and removal of dead, dying, or diseased trees, fire prevention planning, and fire prevention education.	Next cycle in 2022	<i>Tree removal/fuel reduction</i>
Federal Emergency Management Agency Assistance to Firefighters (AFG) Grant Program	2022 funding TBD Max award TBD in NOFO	Jurisdiction with <20,000 residents: 5% Jurisdiction with 20,000-1 million residents: 10% Jurisdiction with >1 million residents: 15%	Funding for purchase of critically needed equipment, protective gear, emergency vehicles, training and other resources necessary for protecting the public and emergency personnel from fire and related hazards.	Next cycle anticipated in Fall, 2022	<i>Purchase of equipment – resubmittal of aerial apparatus</i> <i>Requests for High Priority equipment as identified in the final NOFO will be the most competitive applications</i>
Federal Emergency Management Agency Staffing for Adequate Fire & Emergency Response (SAFER) Grant Program	\$350 million (Funding for 2020 round, 2021 funding TBD) Max award TBD in NOFO	38% match over three years, according to the following breakdown: 25% of costs in years 1 and 2 of the grant; and 65% of costs in year 3 of the grant.	This program provides funding directly to fire departments and volunteer firefighter interest organizations to help them increase or maintain the number of trained, "front line" firefighters available in their communities. Funds may be used for hiring of firefighters or for recruitment and retention of volunteer firefighters for a 3 year performance period.	Next cycle anticipated in Fall, 2022.	<i>Hiring of firefighters</i>
